

Curriculum Vitae

Amanollahi Alireza

2016/09/17

General Information

Personal Information

- ✚ First name; Alireza
- ✚ Last name; Amanollahi
- ✚ Birth Date; 1986/08/05; Ardebil, Ardebil, Iran

Contact Information

- ✚ Phone number; 0914-748-0863
- ✚ Email; amanollahi.a@gmail.com

Academic Education

- ✚ **MSc** of Medical Librarianship and Information Sciences, School of Health Management and Information Sciences, Tehran University of Medical Sciences (2009-2011)
- ✚ **BSc** of Medical Librarianship and Information Sciences, Paramedical Faculty, Tabriz University of Medical Sciences (2005- 2009)

MSc Thesis Subject

Assessment of Abstracts in Randomized Controlled Trials (RCTs) Indexed in PubMed
By the Researchers of Iran and Tehran Universities of Medical Sciences using CONSORT Checklist

Research Interests

1. Study design in medicine, Critical evaluation in epidemiology studies, Evidence Based Medicine, Clinical Librarian, Secondary Studies "Meta Analysis& Systematic Review", Study Design, search Strategies, Critically Appraisal Topic
2. Evaluation and Indexing Journals In International Databases
3. Scientometrics: H-Index, Impact Factor, Ranking Of Universities, Scientific Production In ISI; Scopus; Google Scholar; PubMed

Specialized skills

1. Teaching skills of medical study design, IT, Information Systems and Medical Databases
2. Search strategies for Secondary Studies, Medical Information Retrieval from Web and Databases
3. Evaluation, Citation and Indexing Journals in International Databases (ISI, Scopus & Medline- PubMed)
4. Scientometrics and webometrics Analysis, Scientific Production in ISI, Scopus, PubMed Google Scholar
5. Study Design, Critically Appraisal Topic, Quality of Reporting Type of Epidemiology Studies.
6. Content Analysis
7. Microsoft Office, SPSS, EndNote, STATA, HistCite, Pajek

Research Experiences

Articles in journals

1. Amanollahi A, sarikhani L, Azhandeh A, Shokraneh F. Objective and Subjective Criteria in Assessing the Accepted or Rejected Manuscripts of Journal of Health Administration. Journal of Health Administration. 2014; 17 (57) :26-45
2. Jamshidi Orak Roohangiz, Amanollahi Alireza. Survey of Blinding Methods, Type of Intervention and Subject Areas in Randomized Controlled Clinical Trial. Payavard Salamat 2013; 6(5): 354-364.
3. Farhad Shokraneh, Roghayeh Ilghami, Rasoul Masoomi, Alireza Amanollahi. How to Select a Journal to Submit and Publish Your Biomedical Paper. BioImpacts 2012; 2(1): 61-88.
4. Amanollahi Alireza, Shokraneh F, Mohammadhassanzadeh H, Ebrahimi Kalan M. Quality Assessment of Randomized Controlled Clinical Trials Indexed in PubMed Using CONSORT Statement. Health Information Management 2012; 9(3): 58- 74.

5. Tallachi H, ravaghi H, Jamshidi Orak R, Amanollahi Alireza. Quality of Methodology Reporting in Randomized Trials, Health Management 2012; 15(48): 81-92.
6. Shargh A, Mohammadhassanzadeh H, johari K, Valinejadi A, Molaei A, Amanollahi Alireza _et al. The study of the presence of Iranian neuroscience in ISI database based on scientometric factors. Journal of Health Administration 2011; 14 (44): 61-7.
7. Amanollahi Alireza, Abolghasem Gorji H, Sarikhani L, Aligol M. A Quantitative Review of Published Articles in Journal of Health Administration; 2005-2010. Journal of Health Administration. 2011; 14 (44): 7-10.
8. Aligol M, Amanollahi Alireza, Farshad A. Citation and Quantitative Analysis For Articles Of Scientific- Research Journal of "SALAMAT KAR- E- IRAN", Tehran University of Medical Sciences. Iran Occupational Health Journal 2011; 8 (3): 1-10.

Research Projects

1. Assessment of the methodological quality of Iranian meta-analysis indexed in PubMed and Embase; Systematic Review
2. Scientometrics Indices of Researcher Scientific Production of Endocrinology and Metabolism Research Center in Citation Index WOS.
3. Information Resources Used by Academic Members Affiliated to AJA: A Content Analysis.

Abstracts in Congress

1. Amanollahi, Alireza. Evidence-Based Medicine (EBM) and Critically Appraisal Topics. *First International Conference of Evidence-Based Medicine in Developing Countries*; Tabriz, Iran; April 20-23, 2010 (**Oral Presentation**)
2. Shokraneh F, Amanollahi Alireza. Functions of PICO Family in Evidence-Based Medicine. *First International Conference of Evidence-Based Medicine in Developing Countries*; Tabriz, Iran; April 20-23, 2010 (**Oral Presentation**)
3. Amanollahi Alireza. What is Evidence-Based Medicine (EBM)? *The First Iranian Students' Evidence Based Medicine Symposium*; Tabriz, Iran; May 22, 2008 (**Poster Presentation**)

Education Experience

Teaching

1. Medical Study design(medical research)-Search Strategy in medical data-bases; (medical student)
2. Introduction to Research Methods. 2008/12/6-7. Tehran, School of Health Management and Information Sciences. Iran University of Medical Sciences. (Workshop)
3. Searching evidence based medicine information, 2010; 8/3. Tehran, Faculty of Medical. Iran University of Medical Sciences. (Workshop)

Attendance in workshops and courses

1. *The Second International Evidence Based Practice Workshop*; Tabriz, Iran; November 4-6, 2008
2. *Teaching Evidence Based Medicine*; Tabriz, Iran; April 20-21, 2010
3. *Information Therapy and EBM*. Tabriz, Iran; April 20, 2010
4. *Medical Education with Best Evidence*. National Conference on Medical Education. Tehran. April 30- 2010.
5. *Writing Paper*. Office of Talent Tehran University of Medical Sciences. November 9, 2009
6. *PubMed*. Office of Talent Tehran University of Medical Sciences. January 5, 2010.
7. *SPSS and Applications in statistics*. Student Research Committee. School in Health Management and Information Sciences. December 12. 2009.
8. *Advance Research in Medical Databases*. Office of Talent Tehran University of Medical Sciences. March 10. 2010.

Executive Experience

1. Faculty member -Hormozgan University of Medical sciences. (02/06/2013- 15/09/2016)
2. Research Consultation in Development Unit of Clinical Research. Hormozgan University of medical Sciences. (02/06/2013- 15/09/2016)
3. Citation editor and indexer, Journal of Health Management, Tehran University of Medical Sciences. Since 2009/9/23.
4. Active Member and responsible for Educational Part of Students Research Committee in School of Health Management and Information Sciences (TUMS)
5. Referee Proposals Student Research Committee in MSc Student (2099-2011)
